

What people are saying about *ONE on ONE with GOD*

One on One with God is anointed by God and the best material I have ever seen on discipleship.

Jack Humphreys

26 years with
Billy Graham Evangelistic Association

I have personally been through *One on One with God* in a small group at Crossings and have seen firsthand the benefit of this wonderful approach. It is systematic, consistent, and biblically and doctrinally sound. It provides a daily tool for reading and applying God's Word, spending time in prayer, and growing closer to the Lord. It changed my life. It has changed our church.

Marty Grubbs

Senior Pastor
Crossings Community Church

I am ordering leader's guides for the four girls I discipled this semester. There are people coming out of the woodwork wanting to go through *One on One with God*. They're realizing that they are not experiencing abundant life! It's great!

Jacque Allen

Student, GA

One on One with God is a powerful and comprehensive yet simple tool for knowing God, living by His promises, and making disciples. I have used it as a churchman while a trial lawyer, in several languages as an international missionary, as a church planter, and now as an educator.

Through *One on One with God* we saw the lives of countless Africans marvelously transformed.

Charles Tope,

Pastor, IMB Missionary,
Billy Graham Evangelistic Association

Over the years I have had occasion to study and sometimes use workbooks which are designed to help Christians grow. *One on One with God* is superior to any I have ever seen.

Dr. Roy J. Fish,

Professor of Evangelism
Southwestern Baptist Theological Seminary

Through *One on One with God* our minds were renewed and we experienced more intimacy with Christ, trust, and obedience. We developed a strong, lasting fellowship around the Word.

One on One with God isn't a program to go through but a lifestyle to develop. Knowing Christ intimately and then giving your life to developing others into disciple-makers is the goal.

One on One with God develops people into mature, consistent, and balanced Christians.

The heart of this discipleship tool is teaching people to walk in an intimate love relationship with Christ.

A Process for Discipleship

[For my determined purpose is] that I may know Him—that I may progressively become more deeply and intimately acquainted with Him, perceiving and recognizing and understanding [the wonders of His Person] more strongly and more clearly. And that I may in that same way come to know the power outflowing from His resurrection [which it exerts over believers]; and that I may so share His sufferings as to be continually transformed [in spirit into His likeness even] to His death, [in the hope]

—Philippians 3:10 AMP

ONE on ONE with GOD

meets you at your point of faith

- ▶ In reading the Word of God, many people miss the God of the Word; therefore, they miss the *one-on-one* relationship.
- ▶ At its core, Christianity is Christ—the person of Christ. Christians embrace a Person, not merely a philosophy; this is the essence of the *one-on-one* fellowship.

It's not so much knowing *about* Jesus but rather *knowing Him*. This is the essence of a dynamic relationship and fellowship that you can enjoy.

Jerry and Marilyn Fine are lay people who have taught God's Word in the USA and abroad for over forty years. Their thirty-year career as government contractors took them to every part of the USA. Following God's leading they retired early to invest more time in making disciples.

Now, literally thousands of people around the world have been discipled through *One on One with God*, which they wrote and compiled.
