

## REVISED ONE ON ONE WITH GOD – AFRICA DISCIPLE-MAKING MINISTRY

31<sup>st</sup> December, 2021

Dear Jerry and Marilyn Fine,

2021 has been challenging for many of us. Although this has been one of our most challenging years, it's also grown our faith more than any year before. Even in the face endless unknowns, we still have hope in Christ. Despite of the pandemic and resulting challenges, our *One on One with God* disciple-making programs continued to make an impact—a great testimony to God's hand in it all.

The table below show what God has done from January – December, 2021. This has been updated from reports from Country Leaders in respective countries that include data not captured in a similar Report of September 2021.
